

Registration

Registration is open to SUSFANS partners and invited stakeholders from academia, industry and the public sector.

Requests for attendance from interested scientists who have not received an invitation should be e-mailed to Dr Pierre Dussort, Scientific Project Manager, at:

pdussort@ilsieurope.be.

The registration covers:

- Admission to the workshop;
- Workshop booklet;
- Welcome dinner on 29 October 2015 at 19.30;
- Buffet lunch and refreshments during the conference on 30 October 2015.

Important dates

Deadline for hotel reservations/cancellations

1 October 2015

Deadline for online registrations:

10 October 2015

Important: Due to the limited number of seats, registrations and hotel reservations will be available on a 'first come first served' basis. Hotel reservations received after 1 October 2015 will be accepted upon availability.

Upon completion of the online registration, each registrant receives an electronic confirmation of the registration and hotel reservation if a room booking was requested.

Venue and Accommodation

The event will be held at:

Angelo Hotel Prague

Radlická 3216/1G

CZ – 150 00 Praha

+ 420 234 801 111

www.vi-hotels.com/en/angelo-prague/the-hotel

The Angelo Hotel Prague is a 4-star hotel conveniently located in Prague's trendy Smíchov district of Prague 5, on the left bank of the river Vltava, next to the metro station "Andl" (yellow line B, 4 stops from Wenceslav square).

A number of standard guestrooms have been pre-booked at special rates for workshop delegates in the Angelo Hotel Prague where the workshop takes place.

- Standard single room: 105,- Euros/night
- Standard double room: 115,- Euros/night

The above-mentioned rates are inclusive of buffet breakfast, with free access to WIFI and to the fitness centre and VAT (15%). Exchange rate: 1,-€ = 27.50 CZK.

Cancellation policy

Cancellations of registrations and hotel reservations should be made in writing to Ms Ruth Marquet at rmarquet@ilsieurope.be. For cancellations of hotel reservations received after 30 September 2015, the hotel will have the right to charge the full stay.

Metrics, Models and Foresight
for European Sustainable
Food and Nutrition Security
(SUSFANS)

1st Stakeholder Core Group Workshop

30 October 2015

Prague, Czech Republic

Project funded by the European Union within the
Horizon 2020 programme, call SFS-19A-2014
(Grant Agreement n° 633692)

About SUSFANS

The research project SUSFANS addresses 'Metrics, Models and Foresight for European Sustainable Food and Nutrition Security'. Funded by the European Commission's Horizon 2020 programme, SUSFANS involves 16 organisations for delivering and disseminating research.

SUSFANS' overall objective is to build a conceptual framework, an evidence base and analytical tools for underpinning EU-wide food policies with respect to their impact on consumer diet and their implications for nutrition and public health in the EU, the environment, the competitiveness of the EU agri-food sectors, and global food and nutrition security.

SUSFANS Stakeholder Core Group

An important part of the SUSFANS project is to collect input from stakeholders involved in food systems at all levels. Therefore, a Stakeholder Core Group (SCG) which consists of 30 selected experts and decision makers representing a wide range of stakeholder communities and hence 'worldviews' (e.g. primary producers, food industry, retail, consumer groups, investors, regulators, policymakers and academics) was created. This SCG will advise the SUSFANS consortium on key topics during 4 workshops (e.g. October 2015, end 2016, mid 2017, mid 2018).

Purpose of the 1st Stakeholder Core Group Workshop

This first workshop will introduce the SUSFANS project with a special focus on the Work Package 1 'Conceptual framework and food and nutrition security (FNS) sustainability metrics' and the Work Package 6 'Stakeholder interaction and scenario review'. During 4 parallel working groups, experts will actively review, help refine and provide feedback on:

- The SUSFANS Conceptual Framework that serves as an overall project guide;
- A set of metrics to assess the overall sustainability of the food system, balanced across the range of world views on the assessment of the environmental, social and economic dimensions of sustainable food;
- Case studies that will include a) proteins from livestock-fish supply chains and b) micronutrients from fruits and vegetables supply chains;
- Existing explorative scenarios, so as to identify their most salient features for exploring sustainable diets and food systems in the EU, within a global context of food security and climate change.

The next steps to be addressed during the 3 upcoming workshops will be explained during this first SCG workshop.

Organising Committee

Dr John Ingram, University of Oxford, UK – Chair

Dr Pierre Dussort, ILSI Europe, BE – Vice-Chair

Mr Thom Achterbosch, LEI Wageningen, NL – Project Coordinator

Dr Monika Zurek, University of Oxford, UK

Programme

Overall Chair: Dr John Ingram

Overall Co-Chair: Prof. Diána Bánáti

Overall Rapporteur: Dr Monika Zurek

Thursday 29 October 2015

- 17.30 Briefing meeting for Workshop Steering Committee and Officers
19.30 **Registration & Buffet Dinner for all Registered Participants in Angelo Hotel Prague**

Friday 30 October 2015

Session 1: Introduction of the Project

- 09.00 Welcome & Introduction of SUSFANS *Thom Achterbosch*
09.30 Presentation of WP1 & WP 6 *John Ingram*
09.45 Presentation of the Stakeholder Core Group Roles *Pierre Dussort*
09.55 Short Set of Stakeholder Views *Karen Fabbri/ Sheila Wiseman/ Jane Wallace-Jones*
10.20 Q&A
10.30 **Refreshment break**

Session 2: Conceptual Framework and Sustainability Metrics

- 11.00 Plenary Session: Introduction to SUSFANS Conceptual Framework and Sustainability Metrics *Monika Zurek*
11.15 Four Working Groups (1 to 4) each Discussing Conceptual Framework and Sustainability Metrics
Chairs: John Ingram/ Monika Zurek/ Joost Vervoort/ Louis Georges Soler
Rapporteurs: Victoria Bignet/ Karen Cooper/ Rebeca Fernández/ Liesbeth Temme
12.30 **Lunch**
13.30 Plenary Feedback Session

Session 3: Case Studies and Explorative Scenarios

- 14.00 Plenary Session: Introduction to Case Studies & Explorative Scenarios *Joost Vervoort/ Inge Tetens*
14.15 Working Groups 5 & 6 each Discussing Case Studies
Chairs: Hannah Van Zanten/ Inge Tetens
Rapporteurs: Julian Cottee/ Giuseppe Luca Capodiceci
14.15 Working Groups 7 & 8 each Discussing Existing Explorative Scenarios for Exploring Sustainable Diets
Chairs: Joost Vervoort/ Monika Zurek
Rapporteurs: Marie de Lattre-Gasquet/ Josef Schmidhuber
15.15 Plenary Feedback Session *John Ingram*
15.55 Workshop Conclusion *Thom Achterbosch*
16.00 **Refreshment Break**
16.30 Closure
