

## Registration

Registration is open to SUSFANS partners and invited stakeholders from academia, industry and the public sector.

Requests for attendance from interested scientists who have not received an invitation should be e-mailed to Dr Pierre Dus-sort, Scientific Project Manager, at [pdussort@ilsieurope.be](mailto:pdussort@ilsieurope.be).

The registration covers:

- Admission to the workshop;
- Workshop booklet;
- Welcome dinner on 29 October 2015 at 19.30;
- Buffet lunch and refreshments during the conference on 30 October 2015.

## Important dates

Deadline for hotel reservations and cancellations:

1 October 2015

Deadline for online registrations:

10 October 2015

Important: Due to the limited number of seats, registrations and hotel reservations will be available on a 'first come first served' basis. Hotel reservations received after 1 October 2015 will be accepted upon availability.

Upon completion of the online registration, each registrant receives an electronic confirmation of the registration and hotel reservation if a room booking was requested.

## Venue and Accommodation

The event will be held at:

**Angelo Hotel Prague**

Radlická 3216/1G

CZ – 150 00 Praha

+ 420 234 801 111

[www.vi-hotels.com/en/angelo-prague/the-hotel](http://www.vi-hotels.com/en/angelo-prague/the-hotel)

The Angelo Hotel Prague is a 4-star hotel conveniently located in Prague's trendy Smíchov district of Prague 5, on the left bank of the river Vltava, next to the metro station "Anděl" (yellow line B, 4 stops from Wenceslav square).

A number of standard guestrooms have been pre-booked at special rates for workshop delegates in the Angelo Hotel Prague where the workshop takes place.

- Standard single room: 105,- Euros/night
- Standard double room: 115,- Euros/night

The above-mentioned rates are inclusive of buffet breakfast, with free access to WIFI and to the fitness centre and VAT (15%). Exchange rate: 1,-€ = 27.50 CZK.

## Cancellation policy

Cancellations of registrations and hotel reservations should be made in writing to Ms Ruth Marquet at [rmarquet@ilsieurope.be](mailto:rmarquet@ilsieurope.be). For cancellations of hotel reservations received after 30 September 2015, the hotel will have the right to charge the full stay.

# Metrics, Models and Foresight for European Sustainable Food and Nutrition Security (SUSFANS)

## 1<sup>st</sup> Stakeholder Core Group Workshop

30 October 2015

Prague, Czech Republic

This project receives funding from the European Union's Horizon 2020 call SFS-19A-2014 (Grant Agreement n° 633692).

## About SUSFANS

The research project SUSFANS addresses 'Metrics, Models and Foresight for European Sustainable Food and Nutrition Security'. Funded by the European Commission's Horizon 2020 programme, SUSFANS involves 16 organisations for delivering and disseminating research.

SUSFANS' overall objective is to build a conceptual framework, an evidence base and analytical tools for underpinning EU-wide food policies with respect to their impact on consumer diet and their implications for nutrition and public health in the EU, the environment, the competitiveness of the EU agri-food sectors, and global food and nutrition security.

## SUSFANS Stakeholder Core Group

An important part of the SUSFANS project is to collect input from stakeholders involved in food systems at all levels. Therefore, a Stakeholder Core Group (SCG) which consists of 30 selected experts and decision makers representing a wide range of stakeholder communities and hence 'worldviews' (e.g. primary producers, food industry, retail, consumer groups, investors, regulators, policymakers and academics) was created. This SCG will advise the SUSFANS consortium on key topics during 4 workshops (e.g. October 2015, mid and end 2016, end 2017).

## Purpose of the 1<sup>st</sup> Stakeholder Core Group Workshop

This first workshop will introduce the SUSFANS project with a special focus on the Work Package 1 'Conceptual framework and food and nutrition security (FNS) sustainability metrics' and the Work Package 6 'Stakeholder interaction and scenario review'. During 4 parallel working groups, experts will actively review, help refine and provide feedback on:

- the SUSFANS Conceptual Framework that serves as an overall project guide;
- a set of metrics to assess the overall sustainability of the food system, balanced across the range of world views on the assessment of the environmental, social and economic dimensions of sustainable food;
- case studies that will include a) proteins from livestock-fish supply chains and b) micronutrients from fruits and vegetables supply chains;
- existing explorative scenarios, so as to identify their most salient features for exploring sustainable diets and food systems in the EU, within a global context of food security and climate change.

The next steps to be addressed during the 3 upcoming workshops will be explained during this first SCG workshop.

## Organising Committee

Dr John Ingram, Oxford University, UK – *Chair*

Dr Pierre Dussort, ILSI Europe, BE – *Vice-Chair*

Dr Thom Achterbosch, LEI, NL – *Project Coordinator*

Dr Monika Zurek, Oxford University, UK

## Programme

Overall Chair: Dr John Ingram

Overall Co-Chair: Prof. Diána Bánáti

Overall Rapporteur: Dr Monika Zurek

### Thursday 29 October 2015

- 17.30 Briefing meeting for Workshop Steering Committee, Chairs and Rapporteurs
- 19.30 *Registration & Buffet Dinner for all registered participants in Angelo Hotel Prague*

### Friday 30 October 2015

#### Session 1: Introduction of the project

*Chair: Dr John Ingram*

- 09.00 Welcome & Introduction of SUSFANS *Dr Thom Achterbosch*
- 09.30 Presentation of WorkPackage 1 & WorkPackage 6 *Dr Monika Zurek*
- 10.00 Presentation of the Stakeholder Core Group roles *Dr Pierre Dussort*
- 10.10 Q&A
- 10.20 *Coffee-break*

#### Session 2: Round table discussions in 4 parallel working groups

- 11.00 SUSFANS Conceptual Framework *Chair: Dr John Ingram*
- 11.00 Metrics to assess the overall sustainability of the food system *Chair: Dr Monika Zurek*
- 11.00 Case studies for a) livestock and fish  
b) fruit and vegetables *Chair: Prof. Inge Tetens*
- 11.00 Existing explorative scenarios for exploring sustainable diets *Chair: Dr Joost Vervoort*
- 12.30 *Lunch*

#### Session 3: Reporting round table discussions

*Dr Thom Achterbosch*

- 13.30 Feedback from working groups (10-15 min/WG)
- 14.30 Q&A / Discussion

#### Session 4: Conclusion and next steps

*Dr John Ingram*

- 15.30 Workshop conclusions and action plan
- 16.00 *Coffee break*
- 16.30 Debriefing meeting for consortium members
- 17.30 *End*
